Milepost 333.28 is located within the Norristown Interchange, Exit 333, in Montgomery County, Pennsylvania.

The proposal and plans are published electronically in EBS and are available to registered business partners for downloading and printing.

An electronic bid bond, from an approved vendor, with corporate surety, in the amount of five (5%) percent of the bid must be submitted with the proposal as bid security. The bid security of the three (3) low bidders will be retained until the execution of the contract. (The normal time for execution of the contract is approximately four [4] weeks.)

A Prequalification Certification and Applicable Capacity Rating assigned by the Prequalification Office of the Pennsylvania Department of Transportation is a necessary prerequisite for bidding on this project.

The opening and listing of bids not meeting all the terms and conditions of the bid advertisement or bid procedures does not act as a waiver or modification of any requirements contained in the bid advertisement or bid procedure.

The Provisions of the Pennsylvania Prevailing Wage Act of August 15, 1961, P.L. 987, as amended, together with the rates and regulations promulgated by the Secretary of Labor and Industry applicable

thereto, shall apply to this contract.

Any questions for this project must be submitted electronically in EBS by registered business partners.
