I am pleased to announce that Dax Nulph has been appointed to the position of Assistant District Executive for Construction in Engineering District 1-0, effective April 18, 2020.

Dax's career began as a Civil Engineer Trainee with PennDOT's Engineering District 1-0 as a Civil Engineer Trainee in 1998. Dax is a very seasoned Construction Engineer with nearly 21 years of progressive construction project supervision and management experience which includes 8 years as a field Inspector-in-Charge of a wide range of projects including some of our most complex projects, 12 years as an Assistant Construction Engineer and a period working out of class as the Construction Services Engineer. Dax is a graduate of the University of Pittsburgh with a B.S. in Civil and Environmental Engineering with a concentration in Structural Engineering and is a registered Professional Engineer.

We welcome Dax's continued expertise while providing leadership to the Department of Transportation.
