SUBJECT: Announcement for Assistant District Executive –
Construction, Engineering District 11-0

TO: Executive Committee
District Executives
Bureau Directors
Assistant District Executives
District Human Resource Officers
County Maintenance Managers

FROM: Michael W. Rebert, P.E. 
Deputy Secretary for Highway Administration

I am pleased to announce that Douglas M. Thompson, P.E., will serve as Assistant District Executive for Construction, effective February 17, 2024.

Doug brings over 30 years of Construction Management and Bridge and Structural Engineering experience. He began his career with the Department in 1994 as Civil Engineer Trainee. Since then, he has been promoted to Civil Engineer, Senior Civil Engineer Supervisor, Structure Control Engineer, Principal Assistant Construction Engineer, Acting District Bridge Engineer. Doug has been acting as the Assistant District Executive in Construction since October 2023.

We welcome Doug's expertise as he continues to provide leadership to the Department of Transportation.
