SUBJECT: Announcement for Acting Chief Executive for Highway Administration
Daniel Farley, P.E.

TO: Executive Committee
District Executives
Bureau Directors
Assistant District Executives
District Human Resource Officers
County Maintenance Managers

FROM: Michael W. Rebert, P.E. 
Deputy Secretary for Highway Administration

I am pleased to announce that Daniel Farley, P.E. as Acting Chief Executive for Highway Administration effective March 30, 2024, through June 7, 2024.

Dan began his PennDOT career with several Engineering Scientific and Technical Intern assignments with Engineering District 4-0 from 2001 to 2003. Following a brief period as an Engineering Associate in the private sector, Mr. Farley returned to PennDOT as a Civil Engineer Trainee, and accepted a Civil Engineer Transportation position with Engineering District 4-0 in 2005. Dan moved to Highway Administration's Central Office in 2007 to managed multiple assignments of increased responsibility and complexity, including a Senior Civil Engineer (Traffic Control Engineer), and a Traffic Control Specialist Manager (Traffic Signals Unit).

In 2015, Dan accepted his current Highway Administration Program Manager 1 position as Chief of the Highway Safety and Traffic Operations Division's Transportation Systems Management and Operations (TSMO) - Operations and Performance Section, which includes management of the Statewide Traffic Management Center, Temporary Traffic Control Program, and Traffic Operations Performance Program.

We welcome Dan's expertise as he continues to provide leadership to the Department of Transportation.
