SUBJECT: Announcement for Assistant District Executive –Design Engineering District 9-0

TO: Executive Committee
District Executives
Bureau Directors
Assistant District Executives
District Human Resource Officers
County Maintenance Managers

FROM: Michael W. Rebert, P.E. 
Deputy Secretary for Highway Administration

I am pleased to announce that James T. Pruss, P.E., will serve as Assistant District Executive for Design, effective February 17, 2024.

Jim brings over 25 years of project delivery experience, with expertise in highway design, project management, innovation and leadership. He began his career with the Department in 1998 as a Civil Engineer Trainee. Since then, he has been promoted to Planning and Programming Manager, Project Manager, Senior Project Manager and has been serving as Portfolio Manager and Plans Development Engineer since 2012.

We welcome Jim's expertise as he continues to provide leadership to the Department of Transportation.
